We Worshipped Strange Gods מתחילה עובדי עבודה זרה

There is a debate in the Talmud that this section alludes to, suggesting that our slavery wasn't over our bodies so much as our spirits. We held truths that we inherited from those that came before us that we later realized were really illusions, or the reality on the ground changed, making our previously-held beliefs false.

*What did your parents, grandparents or more distant ancestors worship that you no longer believe in?
What do you currently worship? Why?*
