

## Peer Support Recovery Meetings in Jewish Communal Locations—July 2017

Below is a list of Twelve-Step peer support recovery groups that meet weekly in Jewish communal locations (of which we currently are aware). Please call ahead to make sure that the group is running and whether it holds 'closed' or 'open' meetings. Twelve-Step group meetings are typically closed unless designated otherwise. **Closed meetings** are for those who are in recovery or have a desire to stop drinking and/or using other drugs, substances or processes. **Open meetings** are for anyone seeking information about the particular Twelve-Step fellowship. If you would like to receive more information or to have a group added to this list, please contact the Jewish Center for Addiction at (847) 745-5422 or BethFishman@jcfs.org.
