

Food for the Soul

The First Annual Fundraiser in support of Maggie's Place

Thursday November 2, Willis Tower

In its first six months, Maggie's Place has served over **170** people by:

- Offering bi-monthly drop-in nights
- Scheduling one-on-one meetings with our on-site social worker
- Giving referrals for ongoing services and care for issues ranging from substance abuse and depression to career support

Maggie's Place will host its first annual fundraising event this Fall, bringing together friends and supporters who want to continue to see the center flourish. Throughout the evening, guests will enjoy great food and drinks, music, and an opportunity for meaningful conversation and networking.

WHAT IS MAGGIE'S PLACE?

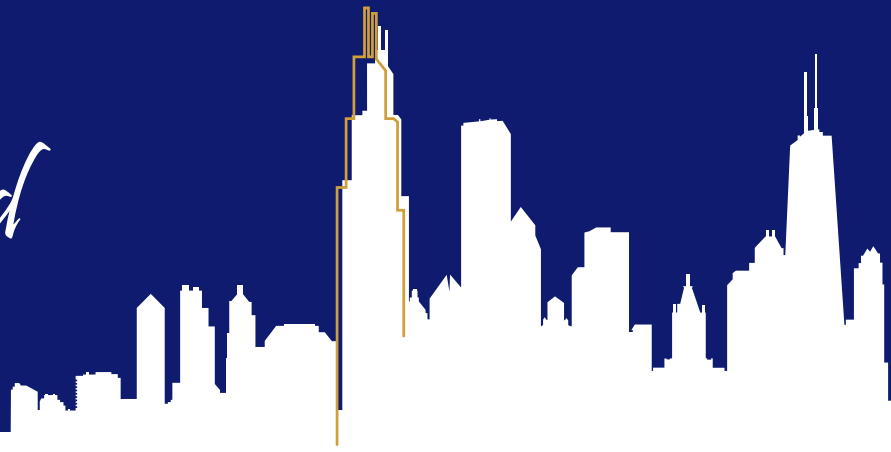

Maggie's Place is a wellness center at Mishkan Chicago dedicated to building community through a holistic approach to wellness – social, spiritual, mental and emotional – through learning, leadership opportunities, social community, and access to social services and resources.

The center was inspired by the life of Maggie Miretzky, a young woman whose life was cut short amidst a battle with mental illness. As Maggie was known for her generous spirit and love for being in service to others, Maggie's Place was created to pay tribute to her memory, establish her legacy and continue her life's work of helping people. With the right support, Maggie's Place will continue to grow and create new ways to meet people, build friendships, and provide support to all people regardless of background, affiliation or ability to pay.

The door at Maggie's Place is always open. We invite you to join us!
